

About :

Novapex began as a small team of passionate developers and designers with a vision to transform how businesses leverage technology. Today, we're a leading digital solutions provider serving clients across 15+ countries.

Co-Founders:**Mr. Amol Harne – HR Professional and Entrepreneur**

As an experienced HR professional and visionary entrepreneur, Amol brings a unique perspective to Novapex Infohub. His strategic thinking and people-first approach lay the foundation for a strong, client-centric organization. Amol oversees operations and ensures the delivery of exceptional services tailored to client needs.

Mrs. Mrunal Ghenge – Creative Director and UX Specialist

Mrunal is a creative thinker and problem solver. Her focus on design, quality, and user experience brings life to Novapex Infohub's projects. She specializes in translating client visions into visually appealing, functional web applications that exceed expectations.

Mrs. Rasika Aswar – Technical Lead and Developer

Rasika brings technical expertise and innovation to Novapex Infohub. With a strong background in development and technology solutions, she ensures that projects are built with cutting-edge technologies and robust architecture. Her attention to detail and problem-solving skills make her an invaluable part of our team.
